Foreword

If, in after years when your
Remembrance of high school life
Is as hazy as the dreams of
A peaceful Siesta, you can turn
The pages of this annual and
Once more find yourself among
Your old high school friends and
Scenes,

We, the staff, shall know that we
Have succeeded in the task we
Set ourselves in compiling this
Annual.

M. H. Brooks, Superintendent

During the past years Marlinton High School has been a happy place due to your having been there. It has given you an excellent opportunity to develop your ideals and character, your individual and social competence, and the knowledge and skills necessary to pursue truth.

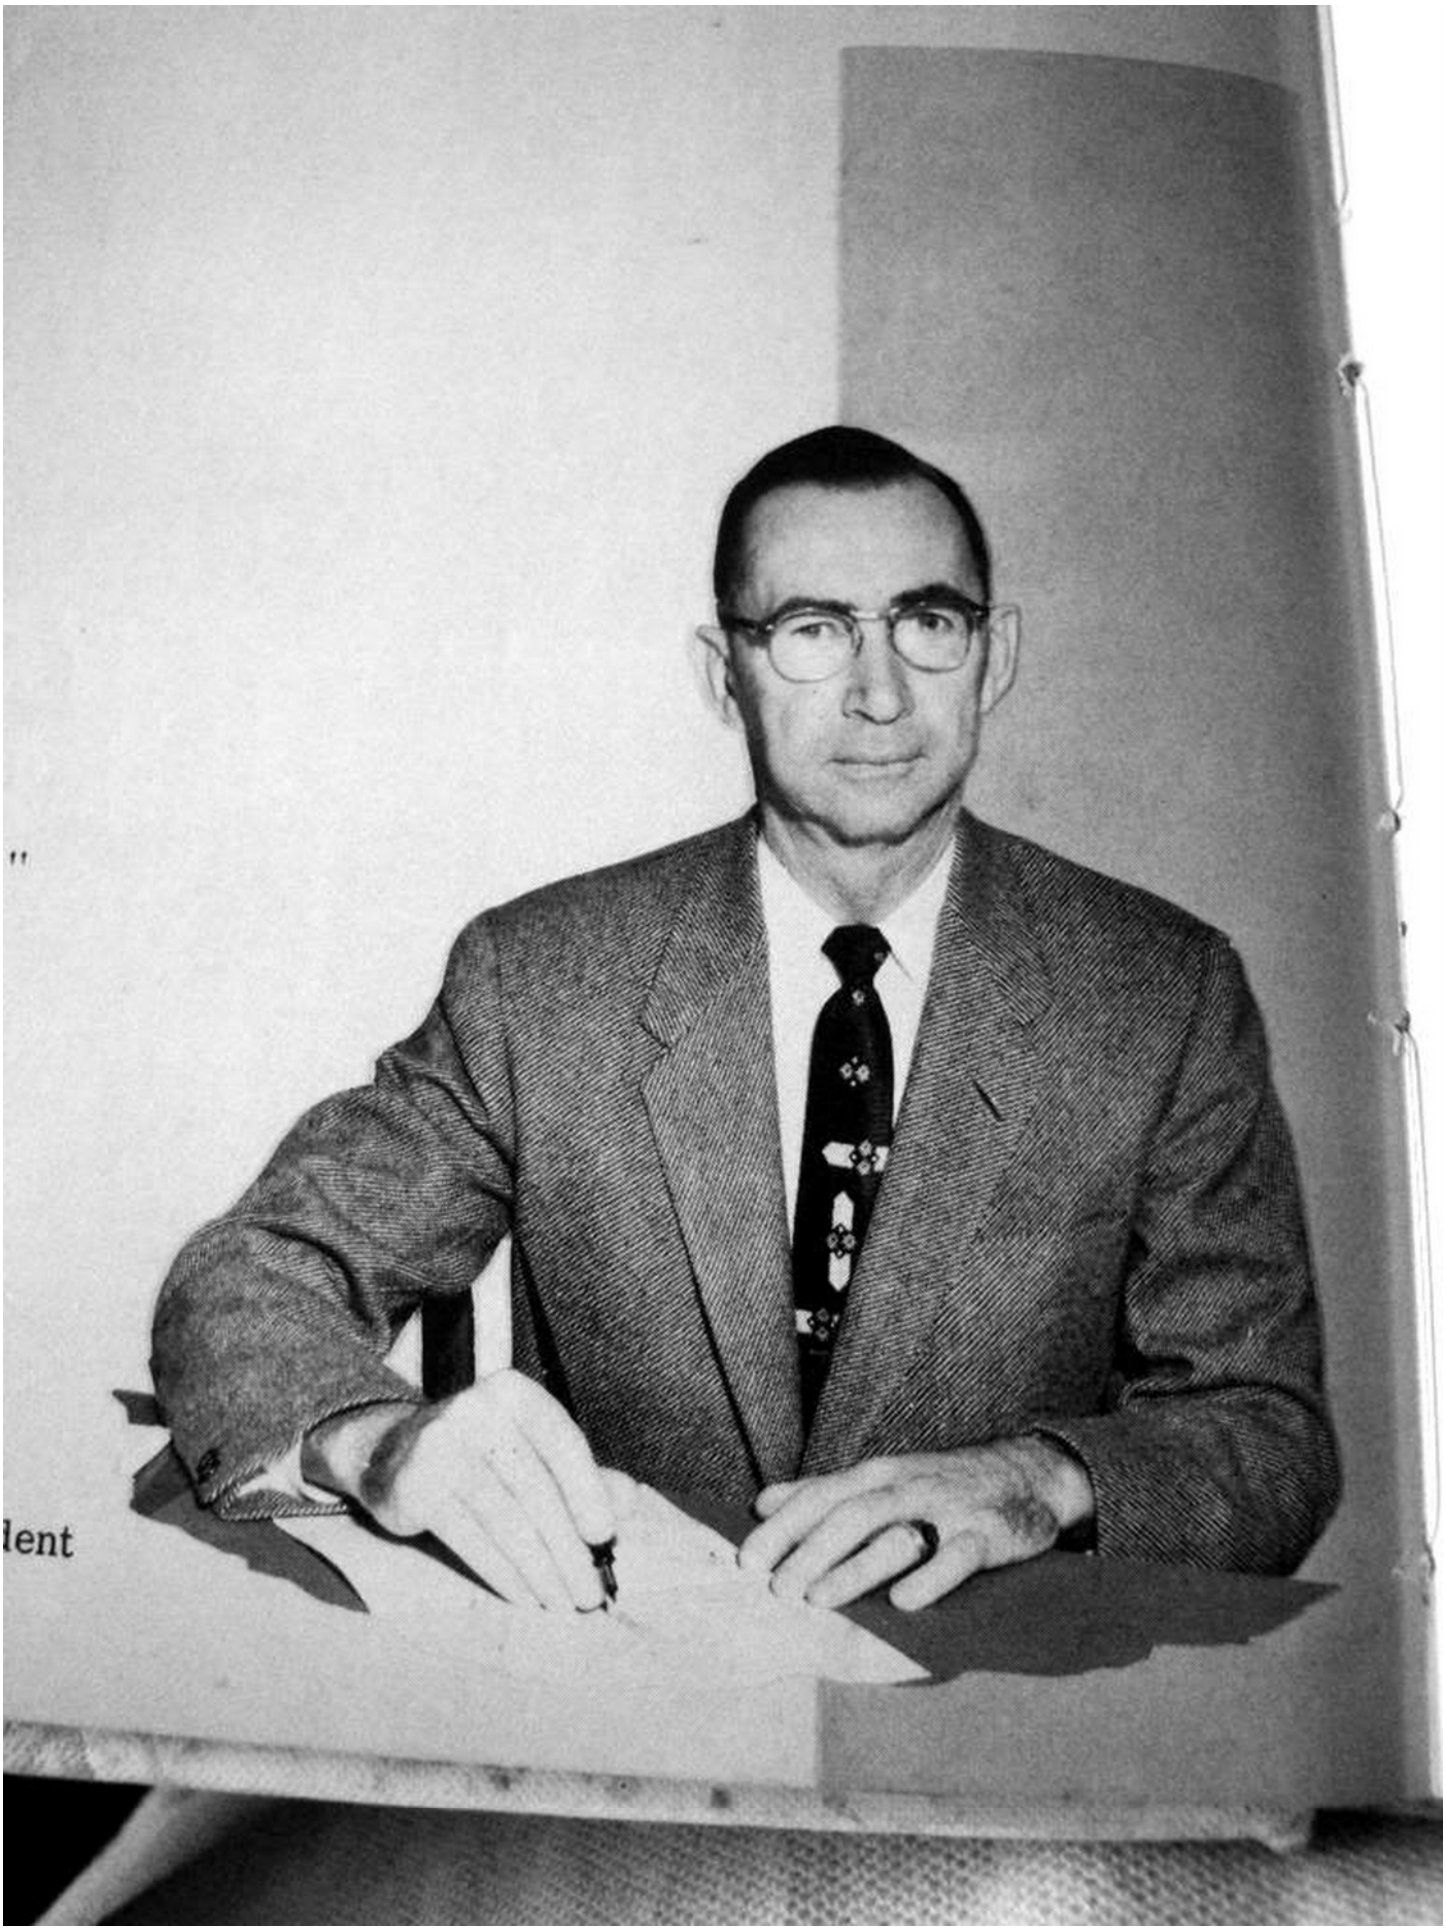

Initiative and effort lie with you. In spite of the complexity of modern life, things get done through the toil and sweat of the individual. The goals you seek are within your reach if you are willing to take one step more, as so aptly expressed in the words of James Dillet Freeman:

"A hill is not too hard to climb,
Taken one step at a time.
One step is not too much to take,
One try is not too much to make.
One step, one try, one song, one smile,
Will shortly stretch into a mile.
And everything worth while was done
By small steps taken one by one.
To reach the goal you started for,
Take one step more-take one step more!"

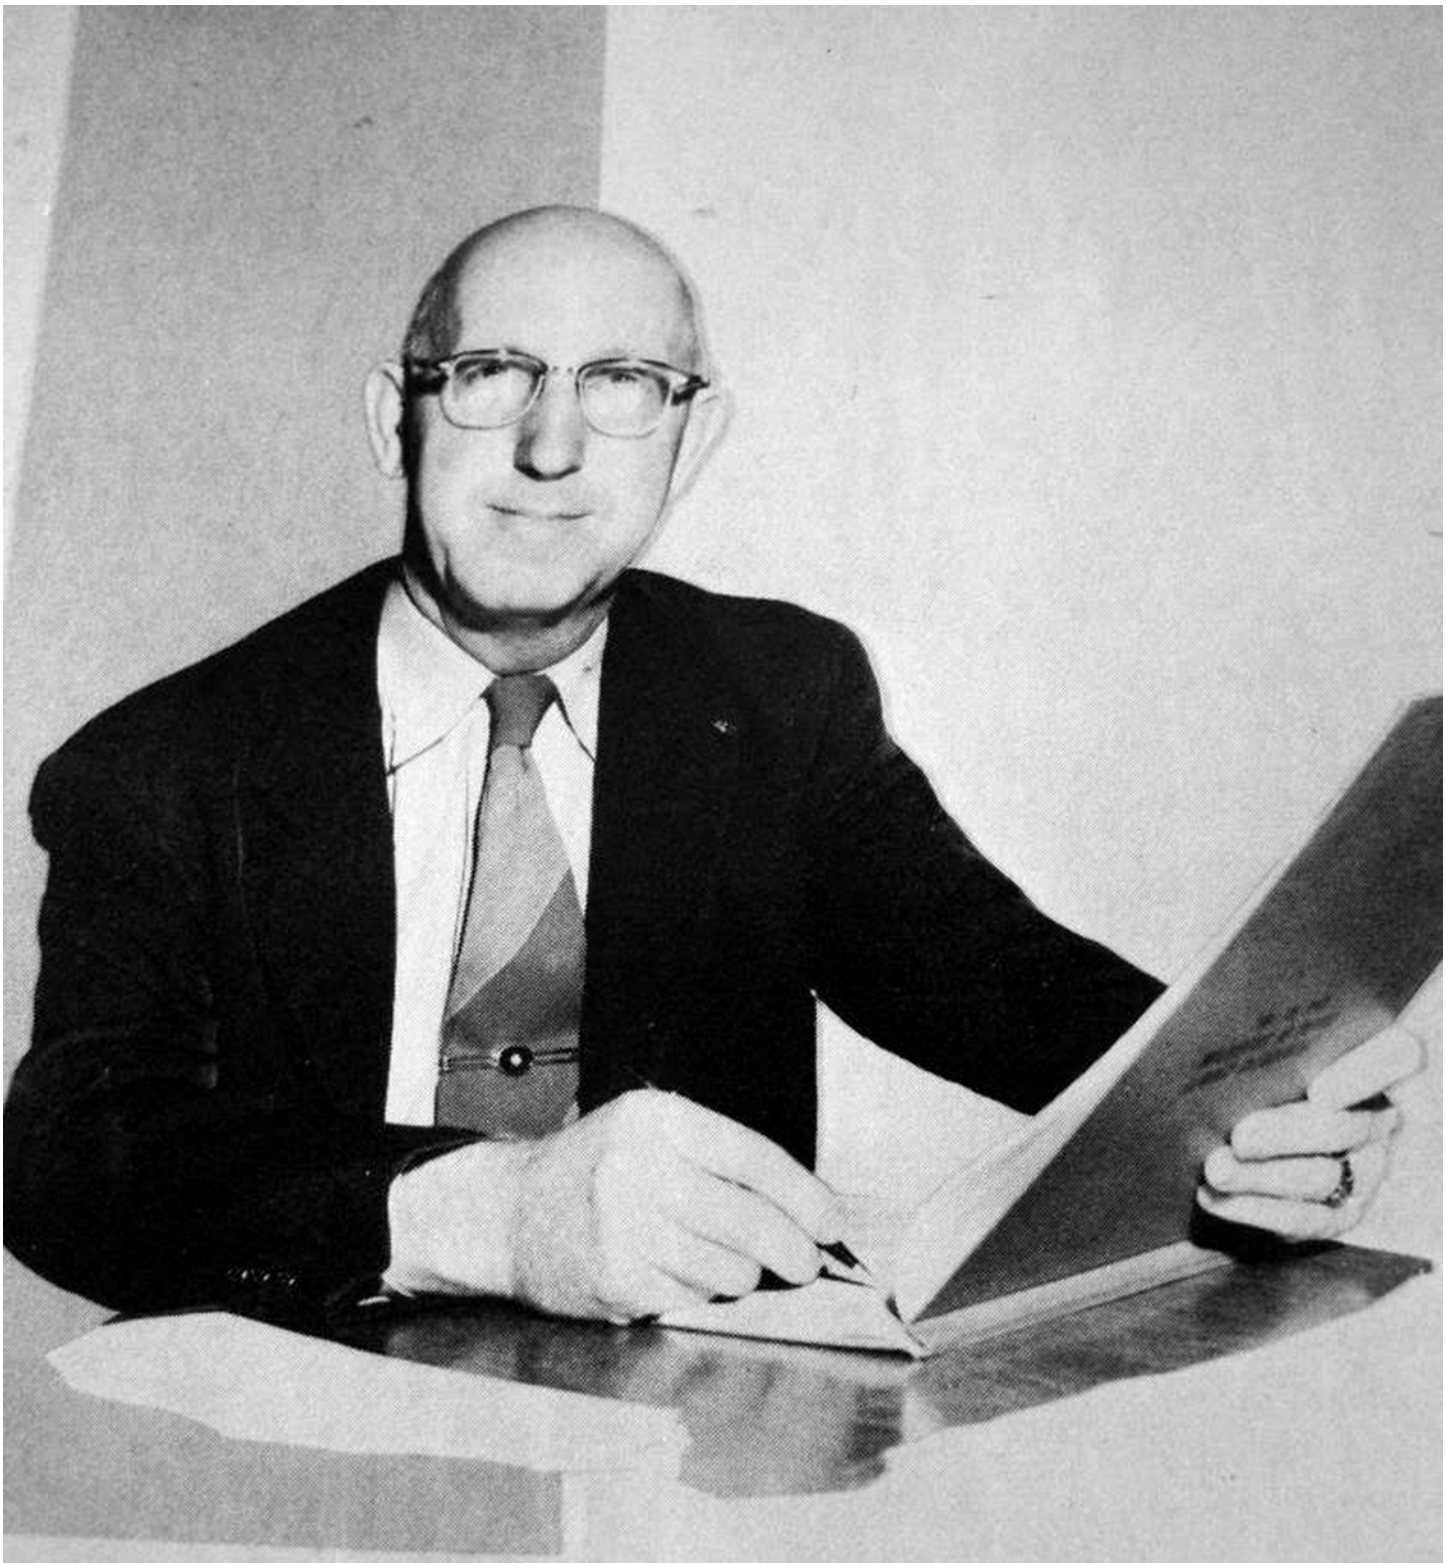

M. H. Brooks, Superintendent

J. K. Arbogast, Assistant Superintendent

Congratulations

I leave you with this thought....

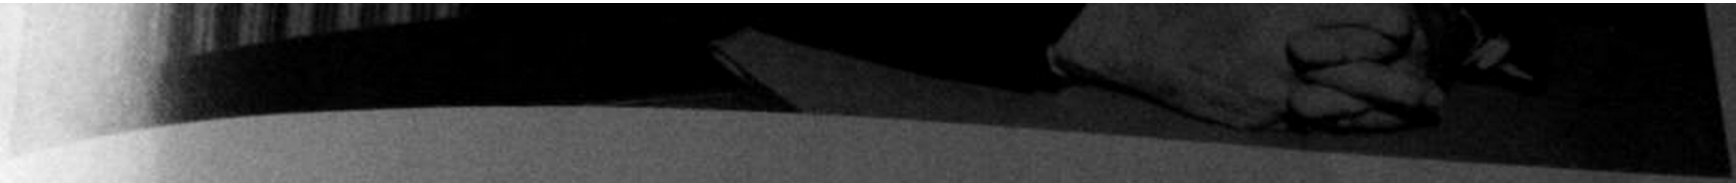

"YOU HAVE EACH BEEN GIVEN A BAG OF TOOLS,
A FORMLESS ROCK AND A BOOK OF RULES;
AND EACH MUST MAKE, ERE LIFE HAS FLOWN,
A STUMBLING-BLOCK OR A STEPPING-STONE."

Dedication

To one who gives unselfishly so that we may become better equipped to face the challenges of the future . . . to one who combines excellent teaching methods, a striking personality, and genuine humor into a productive teaching situation . . . to one who leads us, counsels us, and guides us . . . to you, MRS. ALICE MOORE, as a measure of tribute and appreciation for the favors you have rendered us, we dedicate the 1960 Marlintonian.

Our Class History

We entered Marlinton High School in 1956 full of pride, confidence, and eager anticipation. The day we had looked forward to for so long had arrived. Our pride suddenly changed to confusion when we learned how complicated high school was. Our sponsors, Mrs. Killingsworth and Mr. Wooddell, helped us out by putting us on the right course. With their help we selected Linda Burns as president.

Soon we entered into the spirit of school and things were running smoothly.

All too soon our freshman year drew to a close and we headed off for a summer vacation.

The following fall we entered into school with a feeling of superiority to know that at last we were sophomores. The administration was in the hands of these officers - Mack Copeland, President; Butch Michael, vice president; Jean Pyles, secretary; and Becky Wimer, treasurer. These officers plus our sponsors, Mrs. Currence and Mr. Brill, were kept busy organizing the various affairs of our class.

One morning we woke to find ourselves juniors. We were more composed and confident than ever before.

The officers we selected that year were Butch Michael, president; Mack Copeland, vice president; Jean Pyles, secretary; and Hilda Fitzgerald, treasurer. Mrs. Moore, Miss Given, and Mr. Francis McElwee were our sponsors.

The highlight that year was the junior play, We Were Young That Year, directed by Mrs. Alice Moore.

To prepare ourselves for the senior year full of exciting activities and outstanding achievements, we selected a strong slate of officers to lead us. Butch Michael was our efficient president, with Mack Copeland as vice president, Jean Pyles as secretary, and Hilda Fitzgerald as treasurer. Mr. Charles McElwee and Mrs. Bailey were our beloved sponsors.

The highlights of the senior year were the senior play, It's A Great Life, directed by Mrs. Florence Bailey and the Junior-Senior Prom.

May the training that we have received here make us better, stronger, and finer citizens in the future.

Among our better achievements were the plastering administered to Richwood, an AAA school, and the win over Webster Springs, an AA school.

We failed again in our attempts to waylay our arch rival, Greenbank, as we succumbed to superior manpower after fighting them to a scoreless deadlock at halftime.

Bob Hockenberry was named to the third team of the All State Class A Football Team in recognition of his fine work for the Copperhead cause. He also won a football scholarship to West Virginia University.

Pictured above are the boys who made up the basketball team of '59 and 60. Much hard work and training went into the molding of the team, but when they remember the season, they can cherish the memory of the most successful season of years before.

The outstanding record compiled by Coach Farmer's hardwood quintet more than compensated for our lack of wins on the football field. The final record of twenty-one wins and only three losses was the finest in Marlinton annals.

After two years of receiving hard knocks and gaining experience, the first team came of age and showed how well they had learned their lessons. With a degree of teamwork, poise, and sheer determination never exhibited in this section before, the Copperheads swept aside opponent after opponent until they found themselves representing the northern division of the Greenbrier Valley Conference in the playoff opposite Alderson, the southern division winner.

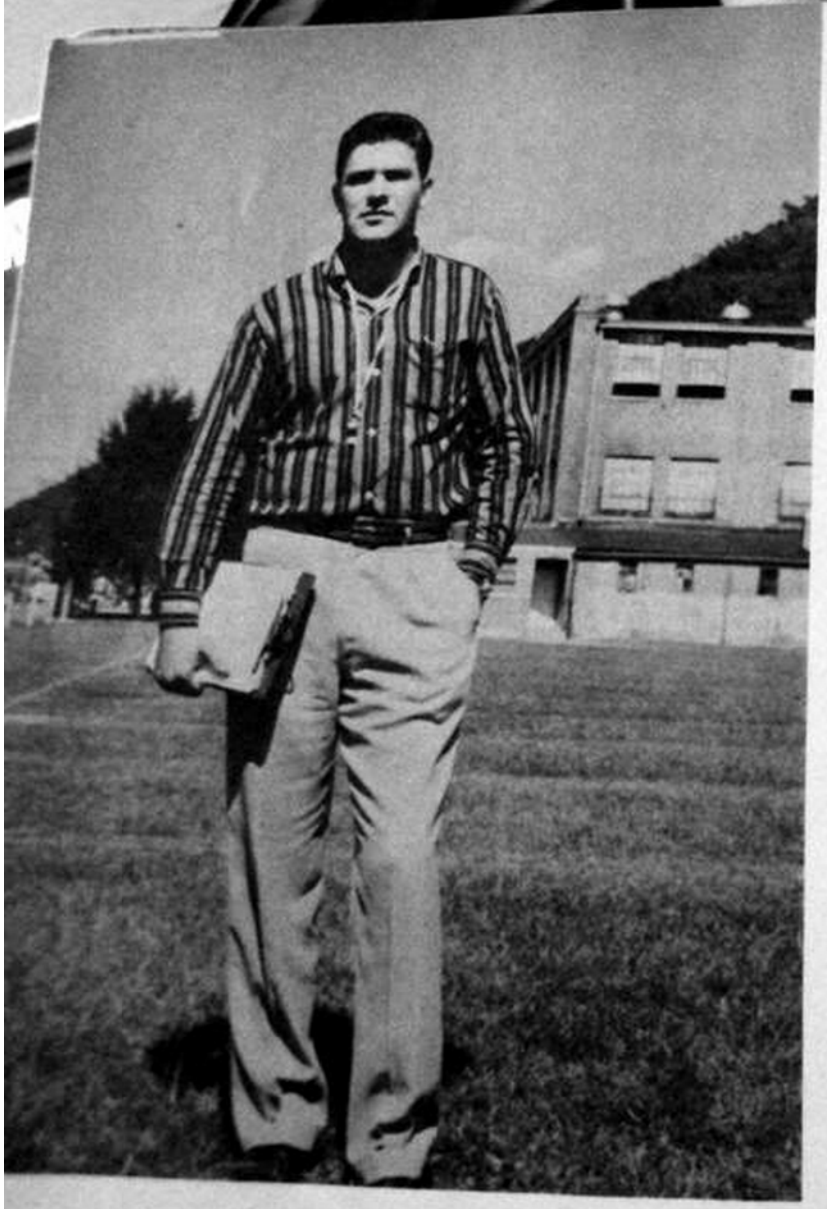

In the playoff, the Copperheads fought an uphill fight to win 59-58 in the closing seconds of a rousing battle. George Cochran drove for the winning layup with five seconds showing on the clock.

Marlinton was installed as the favorite in the Sectional Tournament played at Hillsboro, and the Farmer men came through with easy wins over Hillsboro and Green Bank. Mack Copeland was named Most Valuable Player in this tournament.

The Regional Tournament (an entirely new experience for a Marlinton team) was played at Rainelle. Marlinton romped past Sandstone in the opening round of play, earning the right to play Rainelle, the host school, in the finals.

The height and speed of the Rainelle team, plus the advantage of playing at home, made the task too great for Marlinton to handle.

We fell 78 to 63 to wind up a glorious season, one that will not be forgotten for years to come.

First row, left to right: Don Holland, Mack Copeland, Douglas McGraw, Don Morgan, and Bob Hockenberry. Second row: Coach Farmer, Bill Shafer, Richard Morgan, and Bill Perry. Third row: Robert Ramsey, Delmas Barb, Tiney McComb, Paul Workman, and Ben Gay.

Our baseball team was little short of sensational. As our yearbook went to press, the Copperheads were awaiting a game with Bluefield to determine who would represent Area 3 in the state finals.

While breaking even during the regular season, we improved so rapidly that Sutton, Gassaway, and Webster Springs proved to be but minor obstacles in the Sectional Tournament.

In the Regional Tournament the Copperheads defeated Crichton in a pitchers' duel to move into the finals. Our opponent in the finals, Stoco, was blasted to the tune of 15-0 as our pitching and our hitting reached a peak, and we became one of the "elite eight" in the state eliminations.

Holland shows perfect hitting form as he "bombs" Crichton. (Note ball in flight)

"That one had me fooled," says McGraw.

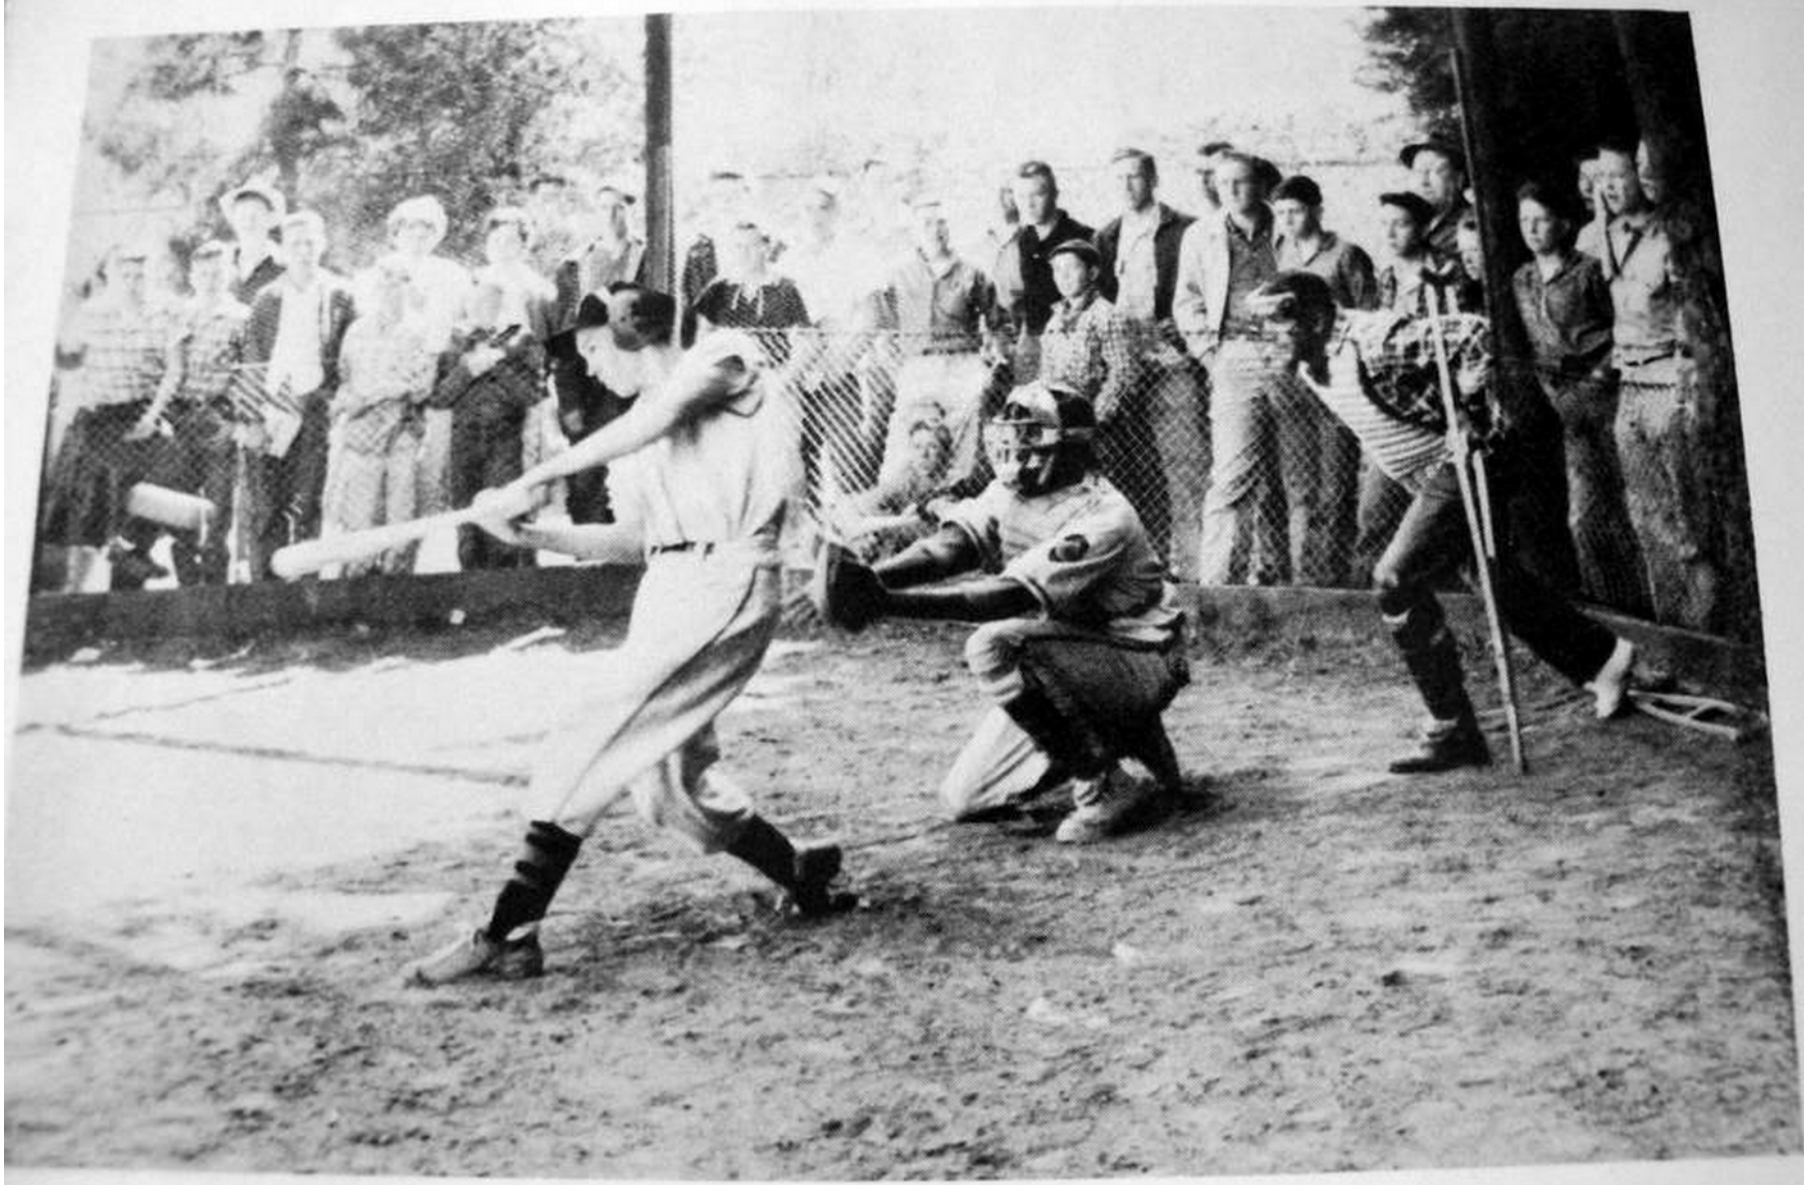

"I'll bet he won't try that nickel curve on me next time," says Morgan as the ball starts its orbit toward the Board of Education Building.

Safe or out? Another run for the Copperheads.
